Information Security Program Requirements:

Subscriber must implement and maintain a comprehensive information security program written in one or more readily accessible parts and that contains administrative, technical, and physical safeguards that are appropriate to the size and complexity of Subscriber's business, the nature and scope of its activities, and the sensitivity of the information provided to Subscriber by HireRight; and that such safeguards shall include the elements set forth in 16 C.F.R. §314.4 and shall be reasonably designed to: (a) insure the security and confidentiality of the information provided by HireRight; (b) protect against any anticipated threats or hazards to the security or integrity of such information, and (c) protect against unauthorized access to or use of such information that could result in substantial harm or inconvenience to any consumer.
